FOREWORD

In our four years at Saint Augustine's, we have set up a certain routine of living which began on entrance and shall culminate upon our leaving. However, the foundation has been laid; a foundation for a better and more intellectual way of life.

In our freshman year, we kindled the fire of achievement which reached its blazing height in our senior year. All life's experiments are not successful, we know, but it is through the knowledge gained in our attempts that the perfect solution will be found. We are indebted to many, and as the time has come for us to go out and prove ourselves, we sincerely hope to be worthy of their concern.

So as the setting sun looks back on the end of a glorious day, we review the highlights of our stay at Saint Augustine's and present the yearbook of 1958.

DEDICATION

"He who knows not the world, knows not his own place in it."
Marcus Aurelius

In years to come, we, the senior class of 1958, hope that the memory of this dedication will bring to you, Mr. Reginald Lynch, the great pleasure which we derive in making this presentation.

Through the means of language and its interpretation, you have given us a gift of exceptional value. The strength of your convictions has guided us from beginning to end. The versatility of your genius has made a profound impression upon us, and the exacting thoroughness with which you have shared your knowledge has gained the respect of this entire body.

You have inspired us to sincerely regard these words of Pythagoras: "When the stream of research ceases to flow, the river of knowledge begins to dry up."

It is our privilege to offer to you a gift signifying our eternal gratitude, the pride of the senior class, the 1958 Falcon.

ATKINSON HALL

PENICK HALL OF SCIENCE

The professorial trees stand along the campus
paths,
Or shade our windows, or arch over us in spring,
Wise, full-boughed, doctor-of-philosophy trees,
Master-of-science pines that know everything.

And here and there deans in maple, trustee oaks,
Chairmen and their departments in full leaf.
Ours being a North Carolina college, the president
Is a long leaf pine, our tallest, of our timber chief.

Some of the trees are older than the professors,
And some professors deeper-rooted than trees.
When the wind blows—and how the wind blows here!
It's that collegiate sound we hear in the breeze.

Lectures in green, conferences in red and gold—
We listen to tree-sound while time weaves.
Between them and among them we find our way,
Guided by leafy voices of leaves.

CLASS POEM

Four years we have striven
Impeached, enhanced and inspired
To master, fulfill and reach our destiny
And to accomplish the goals our hearts desired.

Pertinaciously, we kept striving
Unrelenting throughout each day,
Encumbered with obstacles, activities and studies;
Yet precociously we kept struggling on our way.

Now as the evening sun begins to sink
And the curtains are slowly drawn;
We reminisce over our four years of experiences,
Our minds engross those happy days we have known.

Relinquishing brings back memories,
And sadness grips our hearts;
We must now leave our school and friends
Of which we were so much a part.

We are highly indebted to our parents,
This school and its teachers who have molded us;
We cherish and revere their endearing qualities;
That said so often, "You have our trust."

Slowly the sun continues to sink
Beyond those beautiful eastern hills;
Our hearts cry out—farewell St. Augustine's
Although we leave—you are a part of us still.

CLASS HISTORY

In the year of our Lord, one thousand nine hundred fifty-four (1954), on the fifteenth day of September, one hundred three starry eyed proud youth entered the portals of Saint Augustine's College.

Our pride was exemplified by the manner in which we underwent the unpleasant treatment given us by the upperclassmen during Freshmen week. Insight has taught us that unity would be our asset throughout the coming years.

The election of class officers was new to us. Since we were new to each other, it did not affect our voting. Under the leadership of Ned Smith, Aldean Moore, Juanita Johnson, and Eloise Walker, we proved our election was wise in every respect.

We were then ready for the social and academic life of a community when all eyes focused on the football field we found such outstanding Freshmen as Willis Peppers, A. C. Eldridge, Norvell Lee, Marion, Brown, Aldean Moore, Ned Smith, and others. This season was climaxed by the gala affair of Homecoming, as our lovely Juanita Johnson represented us as a t t e n d a n t to Miss Saint Augustine's. Adding to the beauty of our Homecoming festivities were Delores McIver, Miss Freshmen, attended by Gloria Campbell and Laura Coy.

The pledge club of Kappa Alpha Psi Fraternity found the Freshmen class full of charm and dignity. In choosing their Sweetheart they selected Juanita D. Johnson. F. Janet Schumpert was chosen by the Pledge Club of Alpha Phi Alpha Fraternity as their Sweetheart.

The Dramatics Club, Choir and many other organizations encountered our many talents. Cinda Roland represented us well in the field of dramatics. Freshmen names on the Dean's List proved that we were true scholars.

In bringing our Freshmen year to a close we were credited with sponsoring the first all-freshmen ball which climaxed a brilliant year.

We then said good-bye to the campus for the summer.

We returned in September nineteen hundred fifty-five as Sophomores, wiser from the experiences

afforded us our freshmen year. Some of our classmates, Roland Cooper, Willie Neal, Edward Tyler, Margaret Walls and others failed to return, but Albert Huey, Hartwell Glover, Shirley Heath, Lois Rogers, Delois Patterson, Muriel Swann, Jeanette Swann, Lettie Yarborough, and many others came to take their places.

Raymond Hunley was elected as class president and worked diligently in leading us to another t r i u m p h a n t year. His co-workers were Gloria Campbell, Juanita Johnson and Eloise Walker. Representing the Sophomore class on the student council were Mildred Smith, Bobby Jean Claybon, and Elsmar Stewart.

We were now ready to accept our place as upperclassmen, which we did excellently. Football, basketball, and track welcomed our class stars. Homecoming was fortunate in having our very own Harriet Bryant as an attendant to Miss Saint Augustine's. Gloria Campbell reigned as Miss Sophomore with attendants V e r t i e Hodge and Harriet Chittick. Proudly we were the recipients of second prize of our Homecoming float.

Various class members went into fraternities and sororities and many other organizations. Juanita Johnson was again chosen as the Scroller's Sweetheart, and Gloria Campbell was elected as a student representative at the S t u d e n t Legislature held at North Carolina State Capitol.

The men in our class were joyous at the erection of a new dormitory, Atkinson Hall for upperclassmen.

Our Sophomore year, filled with endless activities of interest and enjoyment to us, finally came to an end and again we bade farewell to our Alma Mater as we eagerly anticipated the coming of our Junior year.

My, how spirited we proved to be during this most important year of our college life, as we were able to see the fulfillment of many of our hoped for plans coming into full fruition.

But as joy is inevitably accompanied by sadness, many of our classmates did not return to share with us the glory of our Junior Year. However, this feeling did not stay with us for many new members joined our family.

CLASS HISTORY

Under the dynamic leadership of Raymond Hunley our class got underway with a very good start. With the assistance of Aldean Moore, Bessie Smith, Juanita Johnson, and Elsmar Stewart, the business operations of our class were kept well under control. Student Council representatives for the year were James Covington, Delores Harvey and Willie Lee Kelly, Carole Taylor.

Representing the Junior class at the Homecoming festivity was Doreatha Howard who reigned as attendant to Miss Saint Augustine's. Laura Coy was Miss Junior attended by Mary Greene and Muriel Swann. We were again very proud when our own Juanita Johnson reigned as the "Belle of the Kappa's Ball."

Honors were bestowed upon Zenobia Browning, Bessie Smith, F. Janet Schumpert, and Patricia Welch who became members of Alpha Kappa Mu Honor Society. Also along the line of honors Docenia Hammond and Altamese Niblack became members of Beta Kappa Chi and Patricia Welch, Sigma Rho Sigma.

May was made merry for us when Harriet Bryant and Bessie Smith lent their charm as attendants to the May Queen.

And, the Prom! my what a night for the Junior's! never had we enjoyed anything better;—the girls were beautiful and the fellows, well, need I say? This will always be a cherished memory to the class of "58."

Closing the year and what a year it was, a grand election of persons to hold important positions for the school year 1957-58 was held. Such things as Student Council officers, May Queen, and Homecoming Queen were included. Thus ended our Junior year.

This is the year of all years! we have that long awaited feeling of accomplishment in knowing that we are Seniors. As is typical of Seniors everywhere we are seeking to derive every ounce of enjoyment from this, our last year. We are eagerly anticipating graduation and the opportunity to take our places in society.

We agree with Spinoza in saying that, "To be what we are, and to become what we are capable

of becoming is the only end of life." We as Seniors are earnestly striving toward this end with God's help, may we be successful!

Serving us as officers for our class this year are Raymond Hunley, James Covington, Bessie Smith, Aldean Moore, and Dudley Burris. Our Senior representatives in the Student Council are Raymond Hunley, President; Harry Satterwhite, Vice President; and, Harriet Bryant, member-at-large, Willie Lee Kelly and James R. Covington, representatives.

During Homecoming, Delores Harvey reigned as Miss Homecoming. Harriett Bryant bowed as a graceful Miss Senior. Her attendants were Gloria Campbell, Mary Merritt, and Mildred Downey.

We were well represented in the area of athletics by Willis Peppers, as Co-Captain 1957-58, Aldean Moore, A. C. Eldridge, Marion Brown, Paul Russell, and Norvell Lee as members of the football squad.

We were again very proud when eight members of our class were elected to "Who's Who Among American Colleges and Universities." They are: Zenobia Browning, Docenia Hammond, Janet Schumpert, Bessie Smith, Willie Lee Blackwell, Raymond Hunley, Albert Morgan, and Patricia Welch. Also among the honorees were Altamese Niblack and Carl Robinson who were initiated into the Phi Kappa Alpha Honor Society.

My isn't it exciting when a classmate gets married! Wedding Bells rang for one of ours in the college chapel. We were finally convinced by first hand observation that some college romances DO last. At least Eloise Walker's did. December 15th began her new life as Mrs. Marion Inman.

We know that happiness will greet us again in May when once more, before we graduate, two classmates of ours will join the Queenly court. Bessie Smith holds this honor as May Queen for 1957-58 and Juanita Johnson as Kappa's Sweetheart.

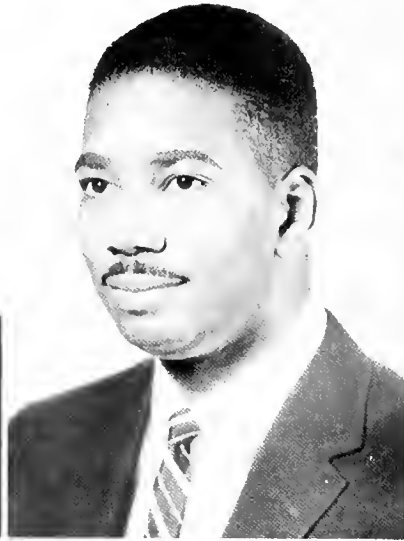

Splurges of student teaching, yearbook planning, and looking forward to graduation all go to make our Senior year what it is. Oh yes, it keeps us busy;—never a dull moment; — but we wouldn't trade it for anything in the world.

OUR PRAYER

We know, Father, that we must come to Thee just as we are. But we also know that we dare not go away just as we came.

Often we have met with failure—failure in ethics, failure in the moral realm, failure in attitudes, and failure in disposition, but with that bit of grace and guidance given all thy children, we have successfully been able to take this second giant step in the process of becoming more worthy of thee.

We Thy needy children humbly praise Thee for the preservation of us from the beginning of our lives to this day, and especially for Thy guiding light during the past four years.

Merciful God, we humbly beg Thy blessing upon all that teach and learn and all institutions of learning and particularly, Saint Augustine's College.

O Lord, we pause again to look back on the long way Thou has brought us, and meditate with humble hearts for Thy loving mercy shown us.

We ask Thee to guide us into a finer way of living after we leave this institution; and check our impulses as we are exposed to fear and doubt and give us peace of mind as we go into our chosen occupations.

In Thy strength, we pray. Amen.

ST. AUGUSTINE'S COLLEGE

Farewell dear alma mater,
Though we now must leave thy walls,
Our love and faith will e'er remain
Within thy hallowed halls.

Refrain:
May thy ideals and thy hopes untold
Ne'er cease to shine afar,
To lead us on to victory's height
No matter where we are.

We'll love thy name forever,
O Saint Augustine's Dear
The thought of pleasant hours spent here
Will fill our hearts with cheer. (refrain)

Farewell dear friends and classmates,
Now we've greater tasks to do,
But though the world now calls for us,
We leave our hearts to you. (refrain)

O parents dear and teachers,
We do give our thanks to you,
And most of all, to God above,
Our Guiding Light, so true. (refrain)

LAST WILL AND TESTAMENT

We, the 1958 graduating class of Saint Augustine's College, of the city of Raleigh, in the County of Wake and State of North Carolina, being of sound and disposing mind and of profound understanding, and not acting under duress, menace, fraud or undue influence of any person whatsoever, do make, publish and declare this instrument to be our Last Will and Testament.

To our dear Alma Mater, we bequeath our never failing love and devotement for her services of a joyfully spent four years. To the administration, faculty, and staff, we valiantly leave our candid affection and appreciation for so patiently guiding and assisting us through our years of endurance.

To the Junior Class, our faithful and rightful heirs, we leave our most devoted and valuable properties, our wisdom, our importance, and scholastic rating, and the ability to become sophisticated and dignified seniors.

To the Sophomore Class, we bequeath the ability to face and tackle all the problems that you may encounter before you reach the fourth round.

To the Freshmen Class, we desire to leave our friendliness, courage, unity, and the ability to make an outstanding accomplishment each year to the class, and the institution.

I, Janet Schumpert, leave to my instructor, Mr. John C. Moore, by heartfelt thanks and deep appreciation for steering me safely through my college career, and for all advice and instruction given me during my four years of college work; to Rachel Rayford, Wynona Rhem, Gladys Ford, and Jane Blakely, I leave my love for, and devotion to, the Choir and Music Department, because I feel that your sentiments regarding these two departments are the same as mine; to the Altar Guild, I admonish you to "keep the Altar lights aglow!" Lastly, but by no means least, to Jimmie and Eddie Yvonne, the best always from your big sister! Elsmar Stewart wills the "moon" and the "apple" to Linwood along with his strong conversation. To Ted Catchings his position as "Mr. Gamma Psi." Gwendolyn Armistead wills room 23 of Tuttle Building to Ann Wilson in hopes that she will enjoy it as much as she has this year.

A. C. Eldridge, wills to S. Cloud, G. Jones and L. Thompson the ability to leave Saint Augustine's in four years.

Albert Morgan wills to the Sophomore class his thirst for knowledge which the future has yet to quench.

Willie Lee Kelly wills her coolness to all the Freshmen girls. And to all underclassmen her regular attendance in chapel for four years without any absentees.

Betty Johnson leaves to her homegirl, Eunice Clifford, her favorite room 16 in Tuttle Building. To Allen Knox, her little sister, her undying love for Saint Augustine's College.

Annie Dancy, wills her place in the Sociology Department to Catherine Arline, her love for Alpha Kappa Alpha Sorority to Shirley Baldwin and to Shirley Murell her sophisticated and dapt airs.

Geraldine Pridgen wills her profound interest in Dramatics, **The Pen Staff**, and Social Science Club to her home girls, Barbara Walker and Frances Duck. She also wills her bed in St. Agnes Hospital to any student who may find it comfortable. Her position in the Doctor's office to Wanda Copland.

PROPHECY

It is July, 1983, 25 years after the graduation of the Class of 1958 of Saint Augustine's College. Here in New York City are Gloria Campbell who is attending the National Social Workers convention and Margie Ford Hilton, who is attending the National Convention for English instructors. We meet one evening while strolling along at the World's Fair. We extend greetings to each other for it was graduation day that we last saw each other. We readily engage in conversation about our classmates. Not knowing their whereabouts, we decided to go to see the gypsy to find out their whereabouts. After entering the Gypsy House, we immediately began to ask questions about our classmates. Looking into her crystal ball, the Gypsy replies:

"I see Violenne Jenkins Culmer and Virginia McLean Dugger working as laboratory technicians at the Medical College Hospital in Charleston, South Carolina.

Raymond Hunley, now an optician in Richmond, Virginia, has a marvelous practice. Working with him as technicians are Mildred Smith and Donald Alexander.

Willie Lee Blackwell has had many good positions since she left you and now she is Registrar at Howard University. Incidentally, on the faculty at the same university is Darlene Esters Frizzell who is head of the School of Business.

I see Margaret Meeks has been very successful in her profession. She is the founder of one of the largest nursery schools in Detroit, Michigan. Mary Merritt and Laura Coy Hand are on her staff.

Carol Robinson and Pansy Roberson are working as therapists at the Mayo Clinic, one of the largest clinics for handicapped children in Philadelphia, Pennsylvania.

Patricia Davis has just finished a successful concert in a series of twenty-five concerts. She has also completed the requirements for a doctorate degree in music.

Look! there is Carl Robinson as President of Saint Augustine's College, Raleigh, North Carolina. Who are members of his faculty but Minnie Sampson, who is head of the art department and Patricia Welch, head of the English department.

At the University of Illinois is James "Bird" Jones as head of the Physical Education department. Also there are James Covington, working as an assistant professor of Social Studies, and Moss Duncan as an assistant coach.

Who do I see now but Everett "shine" Stewart. He is principal of the Lucille Hunter School in Raleigh, North Carolina. On his faculty are Vertie Hodge, Johnsie Mitchell, and Mary Boylan.

Gwendolyn Armistead Bunch has now left the classroom after many successful years. She is now the mother of two beautiful daughters.

Have you heard of the Hammond Research Plant? It was founded and established by one of your classmates, D o c e n i a Hammond. Working with her are Henry Barber and William Robinson.

Doris Clements (Mrs.), now a doctor in sociology, holds a position as a professor at the University of Illinois.

Maggie Phoenix Williams is now residing in Germany with her family. She is the mother of twin sons.

Into my vision comes Mary Greene Kidd. She is a Professor of History at the University of New Jersey and is doing fine in her work.

Eloise Walker Inman, the mother of four sons, is living in Fayetteville, North Carolina. Her husband is employed there.

A dentist! Yes, Harry Satterwhite is now a dentist. He is employed as one of the dentists in the Public School System in Washington, D. C.

Gladys Joyner, now the owner of a tailor shop in New York City, is doing a marvelous job.

The "J & C Body Building School" in New Orleans, Louisiana is owned by James & Charles Cameron. Working with them are Avelton Bowen and Charlie Brown.

Now doing work in London is none other than Dr. William Brown. He is a part-time professor at the University there and owns his own art center.

PROPHECY

Boddie's Insurance Company, headed by Odell Boddie, presented Saint Augustine's College with a five thousand (5,000) dollar check on Founders' Day this year. As secretaries at this company are Evelyn Edwards, Almarie Jones Mangum, and Angelene Musgrave Bowden.

Harriet Chittick and Annie Dancy Pitt, social case workers, are now employed at the Bell Fountain Farm in St. Louis, Missouri.

Dr. George DuBose, Principal of the Annie W. Holland School, Rocky Mount, North Carolina, has on his faculty, Mildred Downey, Shirley Heath, Carvia Dunston, and Barbara Smith.

Now Supreme Basileus of Alpha Kappa Alpha Sorority is Harriet Bryant. She resides in Washington, D. C.

Dr. Melvin Moore is employed as a physical therapist at the John Hopkins Hospital, Baltimore, Maryland.

Playing professional football from the Class of 1958 are Hartwell "Mac" Glover and Norvell Lee.

Attorneys Albert Morgan and Thomas O'Neal have joint offices in Washington, D. C. They are very successful in their profession.

Believe it or not Altamese Niblack Nicholson is now a model for Florida Fashions and Lana Labell.

Betty Johnson now owns the Johnsons' Nursery School in Camden, New Jersey. On her faculty are Shirley Womack and Sylvia Jones.

Founder and President of Brownings' School of Business in Los Angeles, California, is Zenobia Browning. Employed there are Carole Taylor, Eddie Robinson, and Bessie Smith Russell. Bessie's husband, Paul Russell, is in active duty in the United States Army and is stationed in Los Angeles.

Hilda Miller and Barbara Mosee are now medical social workers. They are employed at the Walter Reid Hospital, Washington, D. C.

Dudley Burris is President of the Citizen and Southern National Bank of South Carolina. He is the first Negro to hold this position. Working with him are Geraldine Pridgen Singletary and Mable Brown McNeil. As a pastime, Geraldine writes poetry.

Her wishes finally came true. Willie Lee Kelly, now Willie Lee Goodson, has received her M. A. degree in Religious Education and is now a Missionary worker in Ghana.

Willis Peppers is employed at your dear Alma Mater as head coach. Elsmar Stewart is employed as head coach at Shaw University in Raleigh, North Carolina.

Juanita Johnson Cloud and Landis High are now living in Germany. Their husbands are stationed there.

David Bethel has done well in his field. He is now Principal of the largest elementary school in Detroit, Michigan.

Working on the staff at Homer G. Phillips Hospital in St. Louis, Missouri as physical therapists are: Sheryl Aikens, James Perry, and Walter Williams.

Excelling in his field is Edward Rayford. He is traveling abroad with the Boston Symphony Orchestra.

Janet Schumpert Tapplett has successfully completed many concerts. She is now the mother of two fine children.

Leaving the Gypsy house, we are well aware of the accomplishments of the members of the Class of 1958. It brings great joy to our hearts to know of their prosperity and we are proud to know how well our classmates have upheld the standards of Saint Augustine's College.
